

BAHAMA BASH

ATTENTION: SENIOR PARENTS

Dear Senior Parents,

Bahama Bash is Martin High School 's drug free and alcohol free after prom party. The party begins at midnight and lasts until 6:00 a.m. There will be food, games, and entertainment throughout the night. Seniors will win play money, "Bahama Bucks", which they may spend during the party to purchase a variety of gifts and exciting prizes.

Bahama Bash is funded solely through parent and business donations, fundraisers, and contributions from the extended Martin community. So, as you can see, it needs all our support! Please consider making a \$25.00 tax deductible donation to help cover the cost of the party. For every \$25.00 (up to \$100.00) given in your child's name, he/she will be eligible to win a \$500.00 scholarship to be awarded the night of Bash.

Also, if you own, manage, work for, or do business with any companies that may have funds designated for charitable contributions, please let us know. We will contact them regarding how they might help.
